ABSTRACT

John Q. Smart (Master of Science in Computer Science)

How to Prepare the Perfect Thesis or Dissertation Document

Directed by I. M. Brilliant

92 pp., Chapter 6: Conclusions

(29 words)

In order to prepare a perfect thesis or dissertation, we do hereby follow these illustrious instructions to the letter.

ACKNOWLEDGEMENTS

I would like to thank everyone who has made this thesis template possible. Thanks and more thanks. In fact, let me give thanks all over the place.

2.1	Title of the Second Figure	4
B.1	Title of the First Figure in this Appendix.	8
B.2	Title of the Second Figure in this Appendix.	8

CHAPTER 1

INTRODUCTION

1.1 First Heading: The Introduction

This is the first section of the introduction. For additional information see [2, 1] or just for fun you may wish to read [3].

Here is the beginning of a second paragraph.

1.2 Second Heading

This is the text for the second section.

1.2.1 *First Subheading*

This is text for the first subsection.

1.2.2 *Second Subheading*

This is the text which lies in the second subsection.

First Sub-subsection Header: This language lies in the first sub subsection. Since they are the same font and indentation, the header looks a little bit like the text itself, so there is a colon and a little extra space after the sub-subsection heading. This is all taken care of in the TUthesis style page. Here, we refer to Appendix A and Appendix B to check that the references appear as capital letters.

Normally a figure would go here.

Figure 1.1: Title of the First Figure.

Normally a table would go here.

Table 1.1: Title of the First Table.

CHAPTER 2

THE SECOND CHAPTER

2.1 First Heading

This is the beginning of the second chapter and the first section of the second chapter. The rest of the text in this section is meaningless filler.¹

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Integer luctus feugiat odio et fermentum. Etiam ut vulputate tellus. Aenean sed libero nec nibh gravida consequat eu vel diam. Nullam at accumsan purus. Nullam sit amet nulla et orci dapibus mollis. Etiam placerat, lacus eget venenatis bibendum, metus odio commodo nisi, sed scelerisque nulla odio vel nibh. Mauris vitae elementum turpis.

Proin eu lectus non odio vestibulum fermentum nec et leo. Integer ut leo velit. Curabitur nec est eget felis accumsan interdum. Duis fermentum turpis id mauris blandit convallis. Morbi risus arcu, ornare eget lectus in, accumsan rutrum mi. Nulla facilisi. Donec iaculis nisl vitae erat luctus, vitae consequat mi condimentum. Duis imperdiet enim sapien, vitae suscipit neque ullamcorper sit amet. Aliquam placerat lorem risus, at tempor lectus placerat egestas. Vestibulum rhoncus, eros ut posuere cursus, mauris nisl egestas tortor, ac dignissim est libero pretium arcu. Fusce mollis lacus est, id vulputate leo ultrices sit amet. Quisque condimentum justo risus, posuere volutpat velit congue tempor. Integer quis nunc at nibh posuere congue ut et diam. Vestibulum ante ipsum primis in faucibus orci luctus et ultrices posuere cubilia Curae; Maecenas id feugiat est, sit amet viverra tortor.

¹The filler used on this page is of a family called *Lorem Ipsum*. It was generated by <http://www.lipsum.com/feed/html> on August 18, 2014 at 8:08 pm Central Time. The site explains the history of *Lorem Ipsum* filler, the reason for using it, and a procedure for generating it.

2.2 Second Heading

Second section of the second chapter.

Normally a figure would go here.

Figure 2.1: Title of the Second Figure

Normally a figure would go here.

Table 2.1: Title of the Second Table

Normally a figure would go here.

Table 2.2: Title of the Third Table

BIBLIOGRAPHY

APPENDIX A

THE FIRST APPENDIX

Text in the appendix. Now we will type in a little more text so that we can see if the paragraph is properly indented.

Normally a table would go here.

Table A.1: Title of the Only Table in this Appendix.

APPENDIX B

THE SECOND APPENDIX

Of course this is the material that goes in the second appendix. What did you expect to find here?

B.1 A Heading in an Appendix

A recent modification corrects the numbering of sections, subsections and subsubsection in the appendix.

B.1.1 A Subheading in an Appendix

The subsection appears to work.

A Sub-subsection in an Appendix: And the sub subsection also works. Finally we test that figures and tables also work.

Normally a table would go here.

Table B.1: Title of the First Table in this Appendix.

Normally a figure would go here.

Figure B.1: Title of the First Figure in this Appendix.

Normally a table would go here.

Table B.2: Title of the Second Table in this Appendix.

Normally a figure would go here.

Figure B.2: Title of the Second Figure in this Appendix.
